[The image shows a fragment of a palm-leaf manuscript with handwritten text in Telugu script. The text is arranged in approximately five horizontal lines across the visible portion of the leaf. Two circular holes are present, used for threading a cord to bind multiple leaves together. Due to the age and damage of the manuscript, the specific words and their meanings are difficult to decipher accurately. The script appears to be a traditional form of Telugu.]

[The image shows a single palm leaf manuscript strip with two circular holes for binding. The text is handwritten in Telugu script, spanning approximately five lines. Due to the curvature of the leaf and fading, the text is partially illegible. Visible fragments include:]

[The following text is highly degraded and largely illegible due to extreme fading and noise. It appears to be a single continuous line or short paragraph.]

Handwritten Telugu script on a palm leaf manuscript. The text is densely packed across approximately 10 horizontal lines. There are two circular holes visible along the length of the leaf, used for binding multiple leaves together.
